### **November 28th**

Herraj:

Hello Professor,

We want to meet you this Friday (preferably) at 1:30 pm, if possible.

We just want to update you of our progress and show you the development we have done so far before school ends.

Please let me know if you are available at the suggested time.

Kind regards,

Herraj

Dr. Abdallah:

Hi Herraj,

Yes, Friday at 1:30 should be fine (tentatively – there is another appointment I need to confirm, but it most probably it will not be at 1:30 – if you don't hear from me by the end of tomorrow, then 1:30 should be fine for our meeting).

Best,

A
